

UCF-3.0031 Tuition Waiver Benefit Programs

(1) The University offers an employee benefit program to provide limited tuition waivers to eligible employees to enroll in up to six (6) credit hours in eligible courses on a space available basis. For purposes of the tuition waiver benefit program, “eligible employee” is defined as an employee of the University of Central Florida (UCF) employed full-time in an eligible position and paid through UCF Payroll Services. Eligible positions include all full-time positions in the Faculty, Administrative and Professional (A&P), and University Support Personnel System (USPS) pay plans. Post-Doctoral scholars/associates, OPS non-students, adjunct faculty and medical residents are not eligible for the tuition waiver benefit. Those employees in an otherwise eligible position remain eligible for the tuition waiver benefit program while on sabbatical, professional development, grants-in-aid, and medical leave. “Full Time” is defined as working 30 or more hours per week.

(2) Contingent Waiver Program for Qualifying Spouses or Dependent Children of Eligible Employees.

(a) Many eligible University employees cannot or do not make use of the available employee tuition waiver benefit. The University finds that creating a contingent tuition waiver program for eligible employees’ spouses and dependent children under the age of 26 would support and enhance the mission of the University, including through supporting recruitment and retention efforts. Therefore, subject to all admissions and other academic requirements and subject to the limitations outlined in this regulation, the University hereby authorizes a contingent waiver program for the benefit of an eligible employee’s spouse or dependent child(ren) under the age 26. Specifically, if an eligible employee does not make use of the employee tuition waiver benefit program or does not make use of the full six credit hour benefit, then the qualifying spouse and/or dependent child(ren) of the eligible employee may receive a tuition waiver for that number of credit hours, up to six credit hours, not used by the employee for the purpose of enrolling in eligible courses on a space available basis per semester. This contingent waiver may be used by up to two individuals during any given semester.

(b) For purposes of this contingent waiver, a qualifying spouse or dependent child of an eligible employee must meet all of the eligibility requirements outlined below and must follow all University requirements regarding admissions, enrollment,

and documentation. For purposes of this contingent waiver, “dependent child of an eligible employee” is defined as any natural, adopted or step child of the employee, or any other child for whom the employee is a legal guardian, who is under the age of 26 at the time of enrollment.

(3) Space in a course shall be considered to be available only when:

- (a) The direct cost to the University of the course does not increase for each student enrolled therein (as would be the case for such courses as Thesis, Dissertation, Directed Independent Study, Directed Research, etc.).
- (b) The course is not based on educational experiences outside the University that are dependent upon the coordination with and commitment of University partners (as would be the case for Internship, Practicum, Study Abroad, Clinical Training courses, etc.).
- (c) The enrollment does not result in a class size in excess of the maximum established by room capacity or educational requirements for the particular course sought.

(4) Eligibility.

- (a) Academic Requirement: Any UCF employee or qualifying spouse or dependent child of an eligible employee who intends to enroll for the first time at UCF for tuition waiver courses under the waivers outlined in this regulation must possess a high school diploma or its equivalent (e.g., GED) and meet the University’s admission requirements.
- (b) Administrative Approvals: Any UCF employee who intends to enroll for tuition waiver courses at UCF is required to comply with administrative prerequisites for tuition waiver enrollment.

(5) Registration. In order to receive the tuition waivers outlined in this regulation, the eligible UCF employee or qualifying spouse or dependent child must register at the time and date published in the UCF class schedule for such registration for the semester in which the courses are to be taken. University employees using the employee tuition waiver and contingent waiver recipients under this regulation shall be allowed to register two hours ahead of state employees.

(6) Limitations on Tuition Waiver Benefit Program.

- (a) If all administrative approvals have been received, the eligible employee or qualifying spouse or dependent child may enroll for up to six (6) credit hours each

semester at UCF as a regular student using the tuition waiver benefits outlined in this regulation.

- (b) The tuition waivers outlined in this regulation cannot be used in conjunction with any other tuition waiver or exemption that would cover the same courses.
- (c) The University has the authority to designate which UCF courses are classified as eligible for the tuition waivers outlined in this regulation.
- (d) Courses ineligible for the tuition waivers outlined in this regulation include, but are not limited to: courses offered through other State Universities, State Colleges; Continuing Education classes or courses; Graduate Medical Education programs; Cost Recovery programs; Market Rate programs; independent study; supervised research; supervised teaching labs; thesis hours; dissertation; internships; co-ops; or applied, individualized instruction in Music, Art or Dance. Penalty Fees, including excess hour fees and repeat course fees, are not covered by the tuition waivers outlined in this regulation.
- (e) Tuition waivers may be subject to income taxation. Please refer to the Eligibility Guidelines and Procedures for more information, available at <http://hr.ucf.edu/current-employees/tuition-waiver-program/>.
