Smoking of any kind is prohibited in all facilities and areas of the UCF campus.

(5) Medical Emergencies. The University of Central Florida highly encourages students and registered student organizations to call for medical assistance whenever an individual experiences severe intoxication/impairment or serious injury after consuming alcohol and/or drugs. Students and registered student organizations may be reluctant to call for help for themselves or others due to potential involvement from the UCF Police Department or the Office of Student Conduct. Due to the serious or life-threatening nature of these medical emergencies, the University of Central Florida urges students to contact emergency medical services or the UCF Police Department if alcohol-related and/or drug-related medical emergencies arise. The university's primary goal is to create a safe environment for its students. Procedures and expectations regarding these incidents have been outlined in the Office of Student Conduct Rules of Conduct Controlled Substance and Drug Violations and Alcoholic Beverages section and the Organizational Rules of Conduct section.

(6) Student Care Services. In order to provide comprehensive and consistent care for students experiencing academic, financial or personal challenges, Student Care Services (SCS), under Student Rights and Responsibilities provides support to students identified as needing additional on-campus or off-campus resources. Care Managers for Student Care Services review referrals from students, faculty, staff and/or other parties who are concerned about behavior exhibited by a student. The goal of Student Care Services is to intervene and support the student before a situation reaches crisis level.

- (a) Care Managers will reach out to the student to assess what resources would be beneficial and collaboratively develop an action plan to reduce obstacles affecting success at UCF. Care Managers will assist the student in coordinating with campus resources currently being utilized and will work with the student to monitor progress. Depending upon the circumstances, the referring person may receive feedback about the student's action plan.
- (b) In order to support student success, Care Managers may utilize additional campus resources to assist the student. This may include collaboration with the Student of Concern Team (SOCT), a multidisciplinary group that reviews potential concerns presented by the UCF community regarding student behavior. The SOCT offers

additional knowledge of university resources and procedures and may make further recommendations regarding action plan items for student success. Students of concern are presented to the team at the discretion of the Office of Student Rights and Responsibilities and/or Student Care Services.

- (c) Care Managers have additional campus support systems in place to assess students engaging in behavior that may pose a risk to themselves or others. This includes but is not limited to the University Crisis Team, Mandated Assessment Procedure, and Involuntary Withdrawal Procedure.

(7) University Crisis Team. The University may refer students who are viewed to be engaging in behavior(s) that pose risks to themselves or others to the University Crisis Team for possible action. Such behaviors include, but are not limited to: suicidal behavior, self-injury, threats to harm others, disruptive behavior, disordered eating, and endangerment to the community.

- (a) The Executive Director of OSRR or designee will convene the team members in order to review each case and decide on the best course of action. The team is comprised of the following persons and/or their designee(s): Student Health Services Executive Director, Counseling and Psychological Services Director, UCF Police Department Chief, Office of Student Rights and Responsibilities Executive Director, Student Care Services Associate Director, Office of Student Conduct Director, Associate Dean for Academic Services, Housing and Residence Life Director, Deputy General Counsel, and Student Development and Enrollment Services Associate VP and Dean of Students.
- (b) Various campus units may enlist the services of the team. These include but are not limited to Student Accessibility Services, Recreation and Wellness Center, Wellness and Health Promotion Services, Office of Fraternity and Sorority Life, Athletics, Alcohol and Other Drug Intervention Services, Undergraduate Studies, and Graduate Studies.
- (c) The role of the Student Health Services Executive Director and the Counseling and Psychological Services Director on the Crisis Team will be consultative in nature. When possible, the Student Health Services Executive Director and the Counseling and Psychological Services Director will not confer on a case for which they are (or have been) serving in a direct provider relationship with the involved student. When the involved student has been a client at UCF Counseling

and Psychological Services, the Counseling and Psychological Services Director or designee will maintain the confidentiality of the student's clinical information and will make recommendations for action based solely upon the information provided in the meeting or as guided by clinical and licensure best practices.

(8) Mandated Assessment Procedure. This University procedure is established for behaviors or actions that result in hospitalization from imminent danger to self or others via the Baker Act (F.S. 394.463) or Marchman Act (Chapter 397, Florida Statutes), significant acts or threats of violence to others, chronic eating disorders, dramatic and/or expansive displays of self-mutilation, behaviors that are significantly disruptive to the UCF community and /or diminish the ability of a student to care for oneself. Whenever the UCF Police provide transportation of a UCF student to the hospital for involuntary examination, the police will file a report with the OSRR. In addition, anyone may also file reports about students of concern with Student Care Services.

- (a) Once a report is received regarding a UCF student hospitalization via the Baker Act or the Marchman Act, Student Care Services may notify and consult with designated representatives of UCF Counseling and Psychological Services or Student Health Services and/or the University Crisis Team to review the severity of the student's behavior for potential of continued risk to the campus community. A determination will be made whether a mandated assessment and/or physical assessment is needed to help the student in their specific situation or whether some other more stringent, protective action is appropriate to protect both the welfare of the student and the community. The mandated assessment session(s) may be used to evaluate the student's risk of harm to self or others, and to take appropriate actions to ensure the safety of the student or others if risk is present. In addition, the mandated assessment session(s) are designed to assist students in developing a safety and/or well-being plan and provide students with educational resources. A member of Student Care Services will contact the student in a timely manner and require an initial meeting between a Student Care Services representative and the student to inform the student of their rights and responsibilities regarding the incident.
- (b) All students identified as threatening self-harm or having attempted suicide must complete a mandated assessment with a licensed mental health professional

and/or a physical assessment with a licensed medical provider. Examples of a licensed mental health professional include a Student Health Services psychiatrist, a Counseling and Psychological Services clinician, or a community based licensed mental health professional or licensed psychiatrist of the student's choice. Before the mandated assessment is conducted, Student Care Services or designee will first attempt to obtain an *Authorization to Release/Exchange Confidential Information form* from the student to provide the licensed mental health professional and/or licensed psychiatrist conducting the assessment with background information relevant to the reason for the mandated assessment. Student Care Services will require proof of participation for the mandated assessment with a licensed mental health professional and/or proof of a physical assessment with an appropriate medical provider. The student must meet with Student Care Services within ten (10) business days following release to complete a follow up appointment. Student must provide proof of assessment within twenty (20) business days following release or prior to return to the university (in the event a student withdraws for the remainder of the semester or is placed on Medical Withdrawal). Failure to comply may result in disciplinary action or the convening of the University Crisis Team.

- (c) In cases where more protective action is needed based on more severe behavior/conduct (e.g., behavior endangering others, threats to harm others, behavior significantly disruptive to the UCF community), the Executive Director of OSRR or designee may initiate one or both of the following:
1. Interim Suspension followed by initiating the Student Conduct Review Process;
 2. Convening of the University Crisis Team to consider the initiation of the Involuntary Withdrawal Procedure.

(9) Involuntary Withdrawal Procedure. A student who poses a serious danger of imminent or serious physical harm at the University may be involuntarily withdrawn from the University by the Executive Director of OSRR or designee upon appropriate notification and consultation from the University Crisis Team and the Associate Vice President & Dean of Students of SDES or designee.

- (a) This notification is received in the form of an incident report to the Office of Student Rights & Responsibilities, or a psychiatric evaluation filed with the UCF Police Department. The student will be withdrawn if the Executive Director of OSRR or designee concludes, on the basis of preponderance of evidence that the student engages or threatens to engage in behavior that may:
1. Pose a significant danger of causing harm;
 2. Cause significant property damage or interferes with the educational environment of others at the university; or
 3. Demonstrates an inability to care for his/her daily physical or mental wellbeing without assistance and has failed to secure such assistance.
- (b) The Executive Director of OSRR or designee reserves the right to impose an immediate and interim withdrawal (the equivalent of an interim suspension), prior to the review of all information, if the Executive Director of OSRR or designee concludes that the student poses a threat to the welfare of any individual, the student body, or any part of the University or its community. In such cases, there will be a scheduling of a hearing within three (3) business days to determine the status of interim withdrawal. At this hearing, the student shall be offered an opportunity to provide documentation from an appropriate healthcare provider of their choice who has conducted a proper assessment.
- (c) The Executive Director of OSRR or designee will call a meeting of the University Crisis Team at the earliest possible date. The student may be present at this meeting and may present information in support of his/her case. Following the student's presentation, the team shall convene in executive session. At the conclusion of this meeting, the team shall make a recommendation to the Executive Director of OSRR or designee whether to withdraw the student, reinstate the student, or reinstate the student with conditions.
- (d) The Executive Director of OSRR or designee will make a final decision regarding the student's enrollment status and notify the student in writing within 24 hours of the Crisis Team's recommendation.
- (e) A student subject to involuntary withdrawal is entitled to the following:
1. Notice of intent to remove the student pursuant to this policy stating the reasons for the action.

2. The opportunity to examine the psychiatric or other evaluations provided to the Crisis Team and to discuss them.
 3. The opportunity to present relevant information for consideration of his/her case personally, or by a licensed mental health professional working with that student, if the student is not capable of self-representation.
 4. The opportunity to have an advisor of the student's own choice accompany the student.
 5. The right to appeal.
- (f) In the event a student disagrees with the decision of the Executive Director of OSRR or designee, the student may appeal the decision. The appeal must be made in writing to the Vice President for SDES, or designee, within three (3) business days after the date of the notification to the student of the decision. The Vice President of SDES or designee, shall, within three (3) business days, sustain the initial decision or remand the case to the Crisis Team for re-consideration. The Vice President's decision will be considered final agency action.
- (g) Upon being withdrawn, the student may no longer enroll in classes, may not be an active member of a registered student organization, may no longer use University facilities, must vacate University owned housing, may no longer be permitted on University property, may not be employed by UCF, and may be entitled to whatever refunds of tuition, fees, and room and board charges as would be appropriate given the timing of the withdrawal.
- (h) Students who are involuntarily withdrawn from the University shall have a hold placed on their records, which will prevent them from being readmitted or reenrolled at the institution except as stated in this paragraph. A student may request readmission or reenrollment at the University and provide the Executive Director of OSRR or designee with documentation from an appropriate healthcare provider of their choice who has conducted a proper assessment of the student and concluded that the student does not pose a serious threat to others. In cases where the Executive Director of OSRR or designee has imposed other conditions for readmission, it is the responsibility of the student to provide documentation of compliance with such conditions.

- (i) A student who is not involuntarily withdrawn may be subject to conditions to continue enrollment at the University. In such cases, the student will be provided with a written summary of conditions and must meet all conditions in order to maintain student status. A student who fails to meet such conditions may be subject to involuntary withdrawal by the Executive Director of the Office of Student Rights & Responsibilities or designee, or may be subject to charges through the University's Student Conduct Review Process for failure to comply.
- (j) The current medical withdrawal process should not be used to handle withdrawals related to mental health issues where an imminent threat to the community is evident or a violation of the Rules of Conduct has allegedly occurred. However, a student could choose to pursue a medical withdrawal within six (6) months of the end of the semester. As a general principle, the regular Student Conduct Review Process and its policies and practices are preferred in serious instances of misconduct, without regard to whether there might be mental health issues present. The procedures and specifications given in this regulation are to be employed in those extraordinary situations in which, in the judgment of the appropriate administrative officers, the regular Student Conduct Review Process is not applicable or cannot be applied.

(10) Title IX Policy and Procedure.

- (a) Federal law, specifically Title IX of the Education Amendments of 1972 (Title IX), prohibits discrimination on the basis of sex in education programs or activities. Title IX prohibits sex discrimination against students, staff and faculty—which includes acts of sexual misconduct, stalking and relationship violence. Title IX also prohibits retaliation for making a good faith report of sex discrimination or participating in or being a party to any proceeding involving sexual misconduct and/or interpersonal violence. A closely related federal law, Section 304 of the Violence Against Women Act (“Campus SaVE Act”), requires universities to increase transparency about the scope of sex-related violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus wide prevention education and awareness programming.

- (b) The University of Central Florida is committed to fostering an environment in which all members of our campus community are safe, secure, and free from sex discrimination, including sexual misconduct, stalking, and relationship violence listed and defined in the Rules of Conduct (UCF-5.008) and Organizational Rules of Conduct (UCF-5.012). Our community expects that all interpersonal relationships and interactions – especially those of an intimate nature – be grounded upon mutual respect and open communication. When learning of conduct or behavior that may not meet these standards, community members are expected to take an active role in promoting the inherent dignity of all individuals.
- (c) The university encourages any faculty, staff, student or non-student who thinks that he or she has been subjected to sex discrimination or retaliation by another student, member of the faculty or staff, or third party affiliated with the University to immediately report the incident to the Office of Institutional Equity.
- (d) The University strives to promote the safety and well-being of all students and employees. This information is applicable to students and employees regardless of their sexual orientation, gender identity, or gender expression.
- (e) Rights of the Complainant and the Respondent. Any individual (“Complainant”) who discloses having been subjected to sex discrimination, including sexual assault/misconduct, sexual exploitation, relationship violence, stalking, sexual or gender-based harassment, retaliation, or complicity, and any individual or registered student organization (“Respondent”) who has been accused of sex discrimination, including sexual assault/misconduct, sexual exploitation, relationship violence, stalking, sexual or gender-based harassment, retaliation, or complicity, are afforded the following rights throughout the university’s investigative process and the student conduct review process. These rights provide a fair process for both parties while also ensuring Complainant’s protections under Title IX and the Campus SaVE Act. These rights are in addition to the rights afforded in the student conduct review procedures outlined in UCF-5.009 (students) and UCF-5.013 (student organizations). Complainant and Respondent rights include the following.
 - 1. Both the Complainant and Respondent are permitted to have an advisor or support person accompany them throughout the university’s investigative

process and student conduct review process. This person will not represent the Complainant or Respondent, address witnesses, investigator(s), the hearing body, any other party, or otherwise directly participate throughout the university's investigative process and/or student conduct review process. In addition, if the selected person is a witness, the person cannot be an advisor or support person.

2. Both the Complainant and the Respondent have the right to remedial and protective measures and shall be notified of available assistance at the University.
3. Both the Complainant and Respondent will have equal opportunity to present relevant witnesses and other information during the investigative process and during a formal hearing. Prior to the initiation of the student conduct review process, the investigator has the discretion to determine the relevance of any proffered evidence and to include or exclude certain types of evidence. In general, the investigator will not consider statements of personal opinion, rather than direct observations or reasonable inference from the facts, or statements as to any party's general reputation for any character trait..
4. If the investigative process results in a recommendation to initiate the student conduct review process, both the Complainant and Respondent will receive notice to attend a preliminary conference meeting with the Office of Student Conduct and be informed of the available resolution options in the student conduct review process.
5. During the Student Conduct Review Process, both the Complainant and Respondent shall be informed of the Administrative Hearing Officer assigned to the case and shall have the opportunity to challenge the impartiality of the individual within three (3) business days of notification.
6. Both the Complainant and Respondent will be afforded similar and timely access to any information made available through the investigative process and/or that will be used during the student conduct review process.

7. If the matter proceeds to a formal hearing, both the Complainant and Respondent may submit a list of proposed questions related to the alleged incident to be asked during the formal hearing. The relevancy of proposed questions will be determined by the conduct officer or hearing body. During a formal hearing, all questions shall be asked through the hearing body. Both Complainant and Respondent should not be questioned directly by one another.
8. Both the Complainant and Respondent will have equal opportunity to present relevant witnesses and other information during the investigative process and a formal hearing. Relevancy and timeliness will be determined by the investigator(s), conduct officer or formal hearing body.
9. Both the Complainant and Respondent may not have irrelevant past conduct, including sexual history, discussed during the formal hearing. The issue of relevancy shall be determined by the investigator, conduct officer or the hearing body.
10. Both the Complainant and the Respondent will be provided access to participate, during the entire formal hearing in person, via videoconference, by telephone, or by other means available.
11. Where there is a proposed finding of responsibility on one or more of the allegations as a result of formal hearing, both the Complainant and the Respondent may submit a statement to the Office of Student Conduct for consideration by the hearing body in recommending appropriate sanction(s). The Complainant may submit a written statement describing the impact of the Prohibited Conduct on the Complainant and expressing a preference about the sanction(s) to be imposed. The Respondent may submit a written statement explaining any factors that the Respondent believes should mitigate or otherwise be considered in determining the sanction(s) imposed. The Office of Student Conduct will ensure that each of the parties has a reasonable opportunity to review any statement submitted by the other party. The timeframe for submitting such statements shall not exceed five (5) business days from the date of the formal hearing.

12. Both the Complainant and Respondent will be informed, concurrently and in writing, of the outcome of the investigative process, the Student Conduct Review Process, and the outcome of the appeal process, in accordance with federal guidelines.
 13. Both the Complainant and the Respondent have the right to appeal the outcome of the Student Conduct Review Process on the basis outlined in the applicable Student Conduct Appeals section UCF-5.010 (individual student UCF-5.013 (registered student organizations)).
 14. Both the Complainant and Respondent will be given periodic status updates throughout the investigative process and the Student Conduct Review Process.
- (g) Administrative hearing officers and panel members who hear cases of sex discrimination (including sexual harassment, sexual misconduct, stalking, and/or relationship violence) receive annual training on how to conduct fair and impartial hearings for these types of cases.
