Examples of potentially hazardous events include, but are not limited to: bonfires; use of firearms, explosives or munitions; lighting of fireworks; events involving helicopters or other aircraft; motor vehicle races; gatherings in excess of 200 persons, including unregistered campus athletic events; marches and parades; any event involving the distribution of alcohol; any outdoor event requiring electricity; any event in the immediate vicinity of a pool, lake, or pond (except for the Reflecting Pond near Millican Hall).

(2) Required Approvals.

(a) Except as otherwise provided in paragraph (1)(a) above, any organization, employee, or student must secure approval in advance before conducting or publicly announcing intent to conduct a potentially hazardous event on campus. (b) Applications for approval shall be made in writing to the Office of Student Involvement on Form OSI-40 (effective 11-06) entitled "Safety Action for Event Approval", at least 15 calendar days in advance of the proposed event, unless this time limit is waived by any University official required to approve the event (see below).
