FULL TEXT OF THE PROPOSED REGULATION AMENDMENT:

6C7-4.010 Solicitation on Campus.

(1) This regulation applies to all solicitors.

(2) Definitions.

(a) For purposes of this regulation, “campus” shall be defined to include all properties and facilities under the guidance, supervision, regulation, or control of the University of Central Florida or any of its direct support organizations, and all fraternity and sorority houses on the campus.

(b) Solicitation is defined to be any act or event conducted for the purpose of financial or commercial gain to the vendor, individual(s) or organization(s). For purposes of this regulation, solicitation includes:

(i) the sale, lease, rental or offer for sale, lease, rental, or distribution of any property, product, merchandise, publication or service, whether for immediate or future delivery; or

ii) the distribution or display of printed material, merchandise, or products that is designed to publicize, advertise, encourage the purchase, use, or rental of any property, product, merchandise, publication or service.

(c) Solicitor is defined to be any person, individual, vendor, or business that engages or wishes to engage in solicitation. The term solicitor would include any university department, group, organization, employee, student, student organization, vendor, or visitor that engages or wishes to engage in solicitation.

(3) Solicitation is prohibited on campus without prior approval.

(4) All approved solicitation must be appropriate for the university community, benefit the students, faculty, and staff, and be conducted in a manner that will not:

(a) obstruct vehicular, bicycle, pedestrian, or other traffic;

(b) obstruct entrances or exits to buildings or driveways, or impede entry to or exit from any building or parking lot or vehicular path;

(c) interfere with educational or administrative activities inside or outside any building;

(d) violate a law, rule, regulation, or ordinance;

(e) interfere with scheduled university ceremonies or events;

(f) interfere with or disrupt normal university operations;

(g) damage property, including grass, shrubs, trees, or other landscaping;

(h) harass, embarrass, or intimidate the person or persons being solicited;

(i) violate an existing university obligation, commitment, or contract.

(5) Solicitors wishing to engage in solicitation activity at the University of Central Florida must contact and obtain approval through UCF Business Services. Approved solicitors will be issued solicitation credentials that must be provided upon request by a law enforcement or university official, and must be displayed prominently during the solicitation.

(6) Solicitation procedures:

(a) Vendors must obtain prior approval and solicitation credentials from UCF Business Services for solicitation. A vendor credential processing fee may be assessed.

(c) Vendors must adhere to the requirements established by UCF for the safety of the event and any rules as may be mandated by UCF's Department of Environmental Health and Safety and/or University Police.

(d) UCF is not responsible for any loss, theft, or damage to vendors' equipment or goods. Vendors are responsible for the security of their property.

(e) Those violating this policy will be instructed to cease and desist immediately and may be asked to leave the property. Additionally, a no-trespass warning by the UCF police may be issued to violators.

(f) Failure of officially registered, active student organizations to comply with this solicitation policy and procedure may result in student disciplinary action taken against such

organizations, including the loss of the privilege to engage in solicitation on UCF property, the loss of the privilege to register as a student organization, as well as other disciplinary action.

(g) By requesting the opportunity for solicitation on the premises, a solicitor warrants that it may lawfully sell or promote its product, service or idea and that such activity does not violate any law, and does not violate any trademark, copyright, or similar proprietary interest.

(7) Special Requirements for Food or Beverage Vendors. The university has contractual relationships with specific companies for food and beverage provision on campus. Specifically, the university has an exclusive concessionaire, a preferred caterer, and an exclusive pouring rights and sponsorship agreement. Any other food or beverage vendors may only solicit at the university if their solicitation conforms with these prior contractual arrangements, as well as with other university requirements and policies. Food or beverage vendors must comply with all legal health and safety requirements. Food or beverage vendors may be referred to the university's contractual partners for contractual and administrative oversight. Preference will be given to existing on-site merchants.

(8) Printed Materials Distribution and Posting

(a) A solicitor must obtain prior approval for solicitation from UCF Business Services for printed material distribution and posting in campus common areas. Refer also to the university's signage policy.

(b) Posting or otherwise affixing information or items to UCF buildings or property other than bulletin boards is prohibited. Those wishing to post academic-related material on a bulletin board must gain approval from the building coordinator. As a general rule the building coordinator allows items from 1) faculty for their own classes, 2) Student Government

Association, or 3) Administration (EHS/Safety/Police). Non-academic solicitation requests must be approved by the Director of Business Services.

(c) Posting or otherwise affixing printed material or other items on vehicles parked in UCF parking facilities is prohibited.

(9) Exceptions

(a) Student Union Market Day. This policy does not apply to activities at the Student Union on Market Day as long as the activities do not violate an existing university contract or this regulation. The Director of the Student Union or designee in accordance with Student Union policy regulates activities in the Student Union grounds.

(b) Football Game Day. On campus football game days, the area designated as the “Gold Zone” is regulated for solicitation purposes by the UCF Athletics Association, Inc. (“UCFAA”), and they may approve solicitation in that area so long as the solicitation conforms to existing university contracts and does not violate paragraph (4) of this regulation. The UCFAA and their designee(s) regulate activities within the Gold Zone. SGA-sponsored functions and student activities may be conducted on Memory Mall in specifically defined areas as long as these activities do not violate an existing university contract or this regulation.

(c) Registered student organizations that have written permission from the Director of the Student Union and/or the appropriate building coordinator to conduct a solicitation to benefit only the student organization have exception from this policy, as long as the activities do not violate an existing university contract or this regulation. No person or entity outside of the student organization shall participate in the solicitation or receive any financial or other benefit or thing of value from the solicitation. Examples of such solicitations include but are not limited

to bake sales and similar fundraising activities, distribution of literature, speakers, giveaway promotions, or signing of petitions.

(d) The university has contractual relationships with merchants that maintain regular business hours on campus in contractually defined locations. Those merchants are engaged in approved solicitation only to the extent they are operating within the terms of their contracts and the confines of their defined locations on campus. If an established merchant on campus wishes to solicit on campus outside of their contractually defined location, they must seek approval for that solicitation.

~~—— (1) Off-campus profit-making businesses and interests will not be permitted to post materials or make handouts on campus except as provided below.~~

~~—— (2) Permissible. Advertising, promotional, or informational materials designed for position or display inside and outside University Buildings are restricted to official bulletin boards or areas approved in advance by the Building Manager based upon the relationship of the materials to the University's mission.~~

~~—— (3) All signs, posters, etc. must receive approval by official stamp of the Director of the Student Union prior to display.~~

~~—— (4) Solicitors and tradesmen, including students, faculty and other University personnel, are prohibited from conducting business transactions with individuals or organizations on campus unless a permit has been issued. Permits to conduct such business with students and student organizations may be issued by the Director of Student Union, and Recreation and Wellness Center for all others by the Director of Business Services based upon a determination of the relative benefit to students.~~
