FULL TEXT OF THE PROPOSED REGULATION AMENDMENT:

UCF-2.001 Undergraduate Admissions.

(1) Admission of students to UCF is within the jurisdiction of the University, but subject to the minimum standards adopted by the Board of Governors. In all admission activity, the University will give attention to the need to satisfy equal opportunity affirmative action goals.

(2) No person shall be admitted, enrolled, or matriculated who does not meet the standards set by the University, which include but are not limited to having received a high school diploma or its equivalent (e.g., GED), except as provided in Section 1007.271, F.S.

(3) Completion of a Mandatory Immunization form is required of UCF students prior to registration. UCF Student Health Services is responsible for oversight of student immunization compliance and reserves the right to require immunizations based on recommendations from the Centers for Disease Control and Prevention (CDC), the Florida Department of Health, the Florida Board of Governors, or the UCF Board of Trustees. UCF reserves the right to refuse registration to any applicant, former student, or student whose health record indicates the existence of a condition which may be harmful to the members of the University community.

~~(4) All students residing within UCF Housing are required to be immunized for meningitis.~~

~~(5)~~—Exceptions: Students may apply for an exception to the University's immunization requirements ~~of paragraph (3) and (4)~~ if they meet one of the following criteria and submit appropriate documentation.

- (a) Medical Basis – The student must provide a letter from a healthcare provider, signed on official medical office stationery, stating the medical reason(s) why the student is not able to receive the vaccine(s), and indicating if this is a temporary or permanent condition.
- (b) Religious Basis – The student (or the student's parent/guardian if under 18 years old) can sign a Religious Exemption waiver upon request.
- (c) Active Duty Military and Veterans – Active Duty and Veterans may complete the waiver section of the immunization form if documentation of immunizations is unavailable at the time of registration. Proof of military service is required (DD 214 or military ID card).
- (d) With the approval of the UCF President, limited UCF programs may be an exception when students will not be physically present in any UCF classroom or on any UCF campus. Should such students seek to register for face to face courses, they must comply with paragraph (3).

~~(65)~~ An application or residency affidavit submitted by or on behalf of a student which contains false, fraudulent or incomplete statements may result in denial of admission or denial of further registration and/or invalidation of UCF credit.

~~(67)~~ Admissions shall be on a selective basis within curricular, space, and fiscal limitations. The selection process shall include consideration of multiple factors such as grades, test scores,

educational objectives, class rank, pattern of courses completed, past conduct, school recommendations, personal recommendations, and personal records.

(7) All applicants for admission or readmission to the University of Central Florida, including applicants for post-baccalaureate or non-degree-seeking attendance, and regardless of program of study, are required to disclose on the application prior criminal conduct, pending criminal charges, and prior educational misconduct. The University reviews all applications in which a student discloses prior criminal conduct or prior educational misconduct to determine whether the admission of the applicant is in the best interest of the University. The office responsible for this review is the Office of Student Rights and Responsibilities. Applicants who fail to disclose prior criminal misconduct, pending criminal charges, or any prior educational misconduct are in violation of the disclosure requirements of this paragraph and may be subject to appropriate action by the University, including denial of admission or readmission, revocation of admission, or other academic and/or disciplinary action prescribed by the University, up to and including dismissal. Applicants are not required to disclose minor traffic violations.
