

6C7-2.008 Undergraduate Interinstitutional Transient Registration.

(1) A student, by mutual agreement of the appropriate Dean or designated academic authorities at both the parent and host institutions, may be allowed to register as non-degree seeking transient student. Transient applicants may receive a waiver of regular admission requirements of the host institution if credit earned will be accepted by the parent institution.

(2) Interinstitutional transient status is normally limited to one term.

Authority: BOG Resolution dated January 7, 2003. History—New 10-8-75, Amended 7-14-80, Formerly 6C7-2.08.
