

6C7-4.019 Fee Policy - Payments.

(1) Tuition, Registration, Special Fees and Fines schedules that are authorized by Board of Governors Rules 6C-7.001 and 6C-7.003, F.A.C., are collected by the university.

(2) Past Debts: Prior to registration for any term, students must satisfy all due/delinquent amounts owed to the university.

(3) At the time of registration, each student will be furnished with an invoice for all tuition and registration fees due. This invoice will be updated whenever the student adds or drops a course during the scheduled "add/drop" period.

(4) Except in the cases of authorized deferred payment the University Finance and Accounting Office of Student Accounts will notify the Registrar's Office to cancel the registration of any student who fails to pay required tuition and registration fees by midnight of the last day of the official "add/drop" period.

(5) Students who fail to pay fees by the published deadline and whose registration is cancelled in accordance with subsection (4) above and who feel they have justification for their failure to pay fees, may apply to Committee for Resolving Fee Payment Questions (appointed pursuant to Rule 6C7-1.014, F.A.C.), for approval to pay the cancelled fee assessment. If late payment of fees is approved by the Committee, the student will automatically be reinstated in all courses in which they originally enrolled. A \$100.00 late payment fee as established pursuant to Section 1009.24(12), Florida Statutes will be assessed to each student whose application for reinstatement is approved unless the fee is specifically waived by the Committee for Resolving Fee Payment Questions.
