

NOTICE OF EMERGENCY REGULATION

Date: July 28, 2005

REGULATION TITLE:
Fall 2005 Schedule of Tuition and Fees

REGULATION NO.:
6C7-9.001

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC, HEALTH, SAFETY OR WELFARE: Approval of the regulation is required in addition to approval of the tuition. Because of the time required to comply with statutory regulation-making requirements, it is necessary 1) to enact an emergency regulation for immediate implementation while the permanent regulation is proceeding through regulation development and 2) to approve the permanent regulation for further regulation development. We request approval of the emergency and permanent regulations with tuition and fees reflecting the revised calculation of the legislatively mandated fee increase.

REASONS FOR CONCLUDING THAT THE PROCEDURE USED IS FAIR UNDER THE CIRCUMSTANCES: Section 1001.75(11), F.S., requires the university president to recommend to the Board of Trustees a schedule of tuition and fees to be charged by the university. Section 1001.74(11), F.S., requires the Board of Trustees to set university tuition and fees according to the proviso in the General Appropriations Act. Section 146 of the 2005-2006 Conference Report on the General Appropriations Act sets a maximum 5% tuition increase for all students, with tuition and fees for graduate and nonresident students limited to the average full-time tuition and fees for corresponding programs at public institutions that are members of the Association of American Universities. The Board voted to implement a 5% increase in tuition and non-resident fees for the academic year 2005-2006 at its May 26, 2005, meeting.

SUMMARY OF THE REGULATION:

This regulation defines the tuition, fees, and undergraduate admissions deposit charged to resident and nonresident students. This regulation is changed to reflect the tuition and fees effective Fall 2005, as approved by the university board of trustees.
