

NOTICE OF PROPOSED REGULATION AMENDMENT

Date: May 25, 2023

REGULATION TITLE:

Undergraduate Admission of First-time, Degree-Seeking Freshman

REGULATION NO.:

UCF-2.002

SUMMARY OF REGULATION AMENDMENT:

This regulation is being amended to reflect changes from the new Board of Governors Regulation 6.005, entitled Admission of Associate in Arts High School Students. BOG Regulation 6.005 allows high school students who are participating in dual enrollment and other acceleration programs and who are on track to earn an Associate in Arts (AA) degree from a Florida College System (FCS) or State University System (SUS) institution at the same time as their high school diploma, but who do not meet the requirements to be considered a transfer student under BOG Regulation 6.004, to be considered for admission under requirements for either First-Time-in-College (FTIC) or AA transfer students based on whichever is more beneficial to the student. The proposed change to Regulation UCF-2.002(1) is to include in our regulation the new admissions consideration established in BOG Regulation 6.005.

AUTHORITY: BOG Regulations 1.001, 6.002, and 6.005

FULL TEXT OF THE PROPOSED REGULATION AMENDMENT:

UCF-2.002 Undergraduate Admission of First-time, Degree-seeking Freshman.

(1) Applicants for admission as first-time, degree-seeking freshman (FTIC) must meet the minimum requirements set forth in Florida Board of Governors Regulation 6.002 as well as any admissions criteria set by the University. A first-time, degree-seeking freshman is a student who

has earned a high school diploma from a Florida public or regionally accredited high school, or equivalent and who has earned fewer than twelve (12) semester hours of transferable college credit since receiving a high school diploma or its equivalent. High school students participating in dual enrollment and other acceleration programs who are on track to earn an Associate in Arts (AA) degree from a Florida College System (FCS) or State University System (SUS) institution and who do not meet the requirements of BOG Regulation 6.004, may be considered for admission as either an FTIC or as a potential AA transfer student pursuant to BOG Regulation 6.005.

(2) The Vice President over undergraduate admissions shall evaluate the projected FTIC enrollment in light of ongoing recruitment and retention efforts and establish a projected number of admission exceptions to be reported yearly. Exceptions to the standards set forth shall be made to ensure equal access to higher education.

(3) Admission to the University shall be on a space available basis. Students judged to have a greater probability of academic success at University of Central Florida will be given priority in admissions when FTIC enrollment must be limited.
