

## NOTICE OF REGULATION REPEAL

**Date:** January 19, 2024

**REGULATION TITLE:**  
Acceleration Mechanisms

**REGULATION NO.:**  
UCF-2.006

**SUMMARY OF REGULATION REPEAL:** This regulation is proposed for repeal. UCF already provides more detailed information regarding acceleration mechanisms in the university's catalog and other relevant locations. These information methods are more dynamic, allowing the university to update and clarify without the lengthy process required for changes to regulations. Further, there is no requirement in statute or in the corresponding Board of Governors Regulation 6.006 Acceleration Mechanisms that the university must address this topic through regulation. Repeal of this regulation would allow the university to focus on meeting the publication requirements from BOG 6.006 in the university's catalog and other relevant locations.

**AUTHORITY:** BOG Regulation 1.001

**NAME OF PERSON WHO INITIATED REGULATION REPEAL:**  
Dr. Timothy Letzring, Vice Provost for Academic Affairs
