

NOTICE OF PROPOSED REGULATION AMENDMENT

Date: January 19, 2024

REGULATION TITLE:

Awarding of Degrees

REGULATION NO.:

UCF-2.010

SUMMARY OF REGULATION AMENDMENT:

This regulation is amended to align the regulation with current practice and with operational need. The designation of a student's catalog year often conforms to the year the student enters the university as a degree-seeking student. However, it is sometimes necessary to require a student to move to a new catalog to meet new licensure, certification, or accreditation standards; further, students may sometimes request to move to a different catalog year. This language change will assure the university has the flexibility to meet these needs.

AUTHORITY: BOG Regulation 1.001
